

Crazy Fun
Class Description
hosted by Joyce Walton

Let's go crazy and make a fun crazy quilt that's amazingly easy to create. We'll start by machine piecing fabric scraps of all varieties onto cotton batiste fabric, then hand embellishing with silk ribbon, beads, buttons, embroidery thread and so much more.

This class is ideal for all skill levels, having no patterns, no points to match, use any fabric you want, so you can't do it wrong. And the results are stunning and unique!
