

Class Title/Workshop Name: Clam Up (a ByAnnie pattern)

Instructor: Sue Bready

Class Description: Easy and fun to make, these bags in five sizes are perfect for storing and carrying make-up, sewing supplies, tech gear, and more. Double-slide zippers and handy grab tabs make the bags easy to open wide and attached side panels prevent contents from falling out. An optional strap with swivel hook may also be added. When empty, the bags nest inside one another to save space.
