- Small rotary cutting mat
- Sewing machine with cord and foot pedal
- Machine foot for sewing an accurate 1/4" seam
- Extension Cord
- Thread and filled bobbins
- Thread snips
- Seam ripper (I know YOU won't need but a classmate might!)
- Masking tape
- Fine Sharpie pen
- Travel-size iron
- Pressing mat
- Any other tools you enjoy using.

Notes:

1. There will be one ironing station for us to share. If you wish, you may bring a travel-size iron and mat, but we may not bring our own full-size irons.
2. When you register for the class you will receive Clue 1 of the pattern. It includes the fabric requirements and some cutting instructions. Please do the cutting outlined in the Clue before class. That way, when you get to the class you can **sew!**
