

Workshop Proposal QSC Pieceable Retreat 2024

Rapid Fire Lemoyne Star Workshop -- truly one of Deb's favorite tools!

Constellation

Description: Learn the basics of the Rapid Lemoyne Star tool. You will construct some basic Lemoyne Star blocks using Deb Tucker's Rapid Fire Lemoyne Star tool with strip piecing. As with all her tools, the blocks are oversized and trimmed down to precision with no "Y" seams, no templates and no paper piecing. The Tucker Trimmer ensures that you are centering your block when trimming since the seam lines go diagonally in both directions. It will become the most used tool on your cutting board.

This free pattern comes with the Rapid Fire Lemoyne Star tool.
Project finishes to 37" x 37".

Rapid Fire Lemoyne Star and Tucker Trimmer III (basic kit fee \$72.50)***
optional Tucker Trimmer I (\$24.00)**

Equipment and Supplies Basic sewing including a sewing machine with accurate 1/4" seam. Other: cutting mat (18" x 24"), rotary cutter, 100% cotton thread (50 wt.), marking pen/pencil, seam ripper, pins. **Invisgrip** for the back of the Tucker tools highly recommended; **regular ruler 6 1/2" x 12 1/2" with a 45 degree line**; and regular 6 1/2" x 24 1/2" ruler for cutting strips.

Timeframe for this workshop would be from 6 to 15 hours

The workshop focuses on making the basic Lemoyne Star in several different sizes. The students can either continue to complete the small wall hanging as the pattern has over the weekend or opt to learn some additional Lemoyne Star variations in different sizes using the Technique Sheets, **or** make my pattern ***Lemoyne Basics... And Beyond***

Day One: Learn the basics of the Rapid Lemoyne Star tool and make Lemoyne Star Blocks in more than one size.

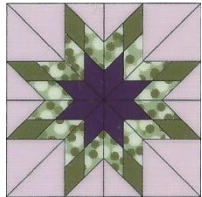

Days 2 and 3:

Lemoyne Basics... and Beyond

Description: *Lemoyne Basics... and Beyond* This is my pattern using three of the Lemoyne Star Technique Sheets. We will also be doing a fourth Technique Sheet to replace the Center Star. You will become familiar with some of the most common Lemoyne Star variations. This pattern makes 2 different size blocks and is set together with some Combination Units using the Tucker Trimmer III.

This is a technique building project and finishes to 60" x 60".
