

## ONE BLOCK WONDER WITH PANELS

A One Block Wonder quilt looks very complicated but is actually very easy to make. It requires six repeats of your chosen fabric or if using panels six panels, seven if you want to actually showcase the panel.

A beginner can easily make this quilt.

Hopefully at the end of three days you will have a quilt top.

Hope to see you there.

### SUPPLY LIST

6 panels or seven if you want the panel to be in the center of your quilt (like the Beach scene).

60 degree triangle ruler-mine is creative grid

24" ruler at least 4" wide

Cutting mat and rotary cutter (new blade)

Flower pins

Sewing machine that you know how to operate and the manual

Basic sewing supplies

Design wall/flannel backed tablecloth

You will need border fabric and backing. I like to get these after the top is done, helps me make a better selection.

There is no precutting.
