NTNT FPP (No Tear, No Tear Foundation Paper Piecing)

An Introduction to New York Beauty

Create precise and accurate points, spires and seams. No more pulling off paper and the patterns are reusable!

3 Hour Workshop

New York Beauty is often thought of as a bit intimidating. With this method of NTNT FPP those perfect point and spires are conquered. Best of all, with this technique you won't be sewing through the paper, so there is no fighting to tear off the paper. And your patterns are reusable!

NNT FPP makes seemingly impossible blocks possible and fun.

This is an introductory class and the focus is on learning the technique of NTNT FPP while creating your New York Beauty block.
